

Online Registration Illustrated Version

Step 1: Run your program evaluation in WebAdvisor so you can see which classes you have left to complete for your degree.

Step 2: All students should complete a Registration Worksheet to develop a tentative schedule (this includes selecting courses and working out time conflicts prior to your advising session). Bring your Registration Worksheet and program evaluation to your advising appointment.

Step 3: Discuss with your advisor the courses for which you would like to register. Your advisor will then clear you for registration using WebAdvisor. **Don't forget to remind your advisor to clear your advising hold prior to leaving your advising meeting.**

Step 4: Check to see if you're registration-ready by clicking [here](#) or logging in to WebAdvisor and clicking on "Check Registration Time/Holds". Login to this screen using the username and password that you use for your email. This screen will show you the day and time that registration opens for you and will tell you if there are any holds on your registration.

Step 5: Register for courses in WebAdvisor using the instructions below.

Tips for Registering and Navigating WebAdvisor:

- For quick and easy searching, use the searchable schedule at myCentral to look for courses.
- Please be patient with the system and only hit **Submit** once.
- For classes that require instructor permission you will need to fill out a Registration Change form (available on the Registrar's page at myCentral), obtain the instructor's signature, and submit the form to the registrar's office for processing.
- Do not use the back button. To go back to the registration menu, click on **Registration** in the toolbar.

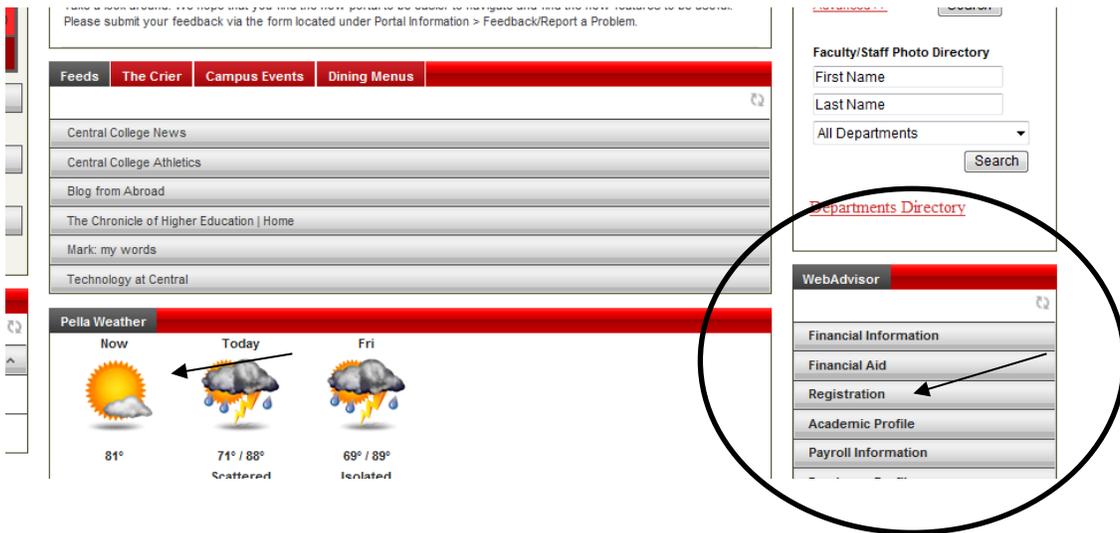

- After you have registered for courses, you can make changes to your schedule in WebAdvisor until the Add/Drop Period ends (the Friday of the 2nd week of the semesters). After the Add/Drop Period, you will need to complete a Registration Change form and turn it in to the registrar’s office to add a class that hasn’t started yet, or to withdraw from a class you are currently taking. **You cannot withdraw from classes using WebAdvisor once the drop period has ended.**

Registering for classes

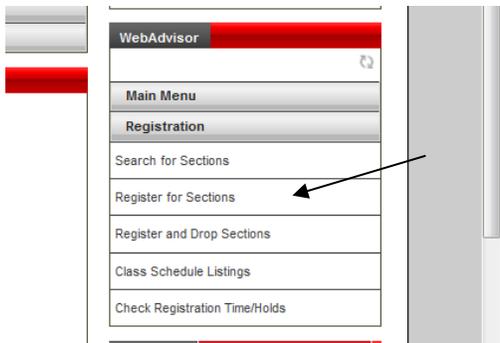

1. Go to myCentral at <https://my.central.edu> and login.

2. You will find the WebAdvisor links in the right hand corner of the page. Click on **Registration**.

3. Click on **Register for Sections**.

4. You have two registration options:

Search and Register for Sections- use this option if you want to search for open sections by department or course number

Express Registration- use this option if you have looked at the searchable schedule and know your classes are open and the course numbers for the courses you want to register in (ex. ENGL-101-A).

Option 1: Search and Register for Sections

1. Select the term and enter at least one more piece of information (subject, instructor name, keyword, etc...). You can enter more than one piece of information if you want to narrow your search.
