

2025-26 FINAL EXAMINATION SCHEDULE

Students are expected to take final exams during the assigned times. Instructors are expected to utilize the final exam period for a conclusive, meaningful activity. Students who have three finals on one day may request a change of examination time from instructors, but all examinations must be administered no later than the final day of exams week. Students should check their final examination schedule prior to making any end-of-semester travel arrangements; it is not the responsibility or obligation of the instructor to give opportunities for students to take a final examination outside of the scheduled final examination time.

- MWF & MTWF times include all classes which meet each week beginning on Monday.
- TR times include all classes which meet each week beginning on Tuesday.
- Evening class final exams are scheduled at the regular class meeting time during the final exam week.
- Instructors teaching in times not listed should contact the registrar (x5442)
- There are to be no exams scheduled or administered on Study Day.
