Fall 2022 Events

Back to School Zoo Night

We kicked off the school year with our annual Back to School Night at the Blank Park Zoo for students and their families! Students reconnected with their advisor, got information about their first TS meetings for the year, and picked up FREE resources. They also explored the zoo, and had a meal!

Fall 2022 Events

Freshmen/Sophomore Launch

We brought freshmen and sophomores to Central College, where they were able to connect with other high school students, participate in team building activities, and learn about college from a student panel.

Student Leadership Conference

Seven high school juniors and seniors were selected to attend the Iowa TRIO Student Leadership Conference, where they attended sessions about career exploration, leadership style, emotional intelligence, team building, and more!

FAFSA & Scholarship Workshop

We hosted a workshop at DMACC Urban Campus to help students & their parents/guardians file the FAFSA and learn how to write an effective scholarship essay.

ISU Multicultural Visit Day

Seniors attended a Multicultural Student Experience Day at Iowa State. They learned about scholarships, student organizations, internships, and the admissions process available to ISU's multicultural students.

8th Grade College Visits

8th graders went on college visits to Central College and William Penn University. These visits were a great introduction to college campuses, the admissions process, and TRIO Student Support Services (like TS, but in college!)

UNI TRIO Visit Day

Juniors and seniors attended the University of Northern Iowa's TRIO Visit Day. Students learned about UNI's TRIO/AVID transition program, participated in academic information sessions, and went on campus tours.

MBTI Workshop

Sophomore students discovered their personality types, strengths, and potential careers by participating in a Myers-Briggs workshop at Great Escape. After the workshop, they played laser tag, arcade games, and bowling!

Junior/Senior Overnight Trip

Juniors and seniors went on a 2-day trip where they visited the University of Iowa, attended the Iowa vs. Iowa State men's basketball game, and visited Kirkwood Community College.
